

# HIPAA Compliance & Privacy Policy

## What Is HIPAA?

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) establishes national standards for protecting sensitive patient data. HIPAA ensures:

- Simplified and secure processing of medical information
- Patient access to their health records
- Protection of data stored, processed, or transmitted across public networks

As a covered entity, BeyondMed is legally required to uphold the highest standards of patient privacy and data protection.

## Is BeyondMed's Website HIPAA-Compliant?

Yes. Our website, [www.beyondmedcare.com](http://www.beyondmedcare.com), is fully HIPAA-compliant. We utilize advanced security protocols to protect all communications and data transmitted through our platform, including: - SSL encryption via HTTPS

- Regular monitoring and updates to our security infrastructure
- De-identification of Personal Health Information (PHI) where appropriate

While risk is never zero, we take every reasonable precaution to ensure your data is secure.

## How Your Information Is Protected

- Encryption (HTTPS with SSL): All data exchanged between your browser and our website is encrypted to prevent unauthorized access.
- Secure Hosting: Data is stored on secure servers provided by trusted third-party vendors.
- Browser Security: We recommend using modern browsers like Google Chrome, Safari, Microsoft Edge, or Firefox for optimal security.

Older browsers may not support the latest SSL security standards.
